

NDA 1-16-22

NDA 1-16-34

NDA 1-16-46

The NDA1-16 AC outlets/receptacles feature a modular DIN rail mounted snap on design that makes installation quick and easy while at the same time occupying a minimum amount of panel space.

Features:

- One Piece Design - No need to order, inventory & assemble separate parts, easy installation.
- Finger Safe Connections - Increased safety during maintenance.
- DIN Rail Mountable Design - Simple snap-on mount. No need to drill and tap holes to mount.
- Safe and secure screw clamp wire terminations.
