

## EMPIRE SERIES

*For your largest applications, turn to the Empire Series from Allied Moulded. Fiberglass construction offers durability and strength without the excessive weight of a comparable metal enclosure. Available in ten standard sizes, including eight wall mount cabinets from 36" x 30" x 12" to 60" x 36" x 16" and two freestanding sizes up to 72" x 49" x 25". A full range of modification services are also available on our Empire Series enclosures.*

### Empire Series Features & Benefits

- Ultraguard® fiberglass reinforced polyester material construction for durability
- Continuous stainless steel hinge
- Flexible, self-gripping gasket compresses over flange for tight seal
- Wall mount units need only three closure latches to meet NEMA Type 4X requirements
- Freestanding units have 3-point latching handles which meet NEMA Type 4 requirements
- Optional painted carbon steel back panels are fully interchangeable with other specified enclosures

### Suitable Applications

- Electrical junctions
- Terminal wiring
- Electrical and electronic controls, instruments, components
- Housing pushbuttons, switches or other devices
- Other industrial control equipment

### Empire Series Specifications

- Non-corrosive
- Non-conductive
- Lightweight vs. stainless steel
- Temperature-resistant
- Fire-resistant
- Rated NEMA 4, 4X,
- cUL listed

### Accessories

- Optional painted carbon steel back panels
- Optional thermal management products
- Optional print pocket

### Modifications

We are pleased to modify any of our standard products to fit your needs. We have the lowest volume requirements on custom work in the industry, and quick turnaround time.

We can modify any of our Empire Series enclosures with:

- Custom holes and cutouts
- Viewing windows
- Molded-in color matches
- EMI/RFI shielding
- Factory-supplied silk screening
- Front and rear access doors
- Mounting strut
