

## CUSTOM MODIFICATIONS

**Your source for fast, no-hassle modifications.**

*With Allied Moulded's complete modification services, the need for inconvenient secondary handling of your enclosure is eliminated, saving you time and money.*

We are pleased to customize any of our standard products with the following modifications:

- Holes and cutouts
- Polycarbonate viewing windows
- EMI/RFI shielding
- Factory supplied silk screening
- Molded in color matches

**Industry's lowest volume requirements.**

Because we are dedicated to providing you with outstanding service, we have the lowest volume requirements on custom work in the industry and guarantee quick delivery, often in less than three weeks from receipt of your order.

### Computer-controlled CNC

We incorporate computer controlled manufacturing equipment into our operation which assures that modifications such as specialty holes and cutouts are exact to your specifications each time you order.

### Custom holes and cutouts

Custom holes and cutouts allow for conduit entry or device mounting to meet the needs of any application.

### EMI/RFI shielding

EMI/RFI shielding provides high-level protection against electromagnetic and radio frequency interference.

### Silk Screen printing

Silk screen printing is a practical, professional way to identify corporate identity or enclosure function.

Yellow      Red  
Blue      Green  
Black      Orange  
White

### Custom colors

Custom color pigments result in a homogeneously molded product.

### Custom panels

Available custom metal work includes holes and cutouts on either back and hinged deadfront panels.
