

Basic features

Principle of operation	Mounting bracket for photoelectric sensor
Scope of delivery	Mounting brackets Washer ISO 7089-M4 (1x) Screw DIN 7500-M4x30
Short description	Mounting bracket
Use	for photoelectric sensors BOS 2K

Version	Mounting brackets 3 adjustable axes
----------------	--

Material

Material	ABS
-----------------	-----

Mechanical data

Dimension	17.5 x 25 x 44.7 mm
Mounting part	Threads

Remarks

Ball joint for increased freedom of motion.
