

Basic features

Principle of operation	Clamp holder
Scope of delivery	Threaded pin ISO 4026-M6x10 (2x) Mounting bracket (2x) Insulating bush (4x) Insulating plate (2x) Screw ISO 4762-M6x20 (4x)
Use	for BTL magnetostrictive linear position sensor (control arm)

Environmental conditions

Ambient temperature	0...100 °C
----------------------------	------------

Material

Bushing material	PA
Insulation plate material	EP GC 202
Material	Aluminum
Surface protection	Anodized

Mechanical data

Dimension	46.6 x 33.8 x 30 mm
Mounting part	Threads
