

Basic features

Principle of operation	Mounting bracket for photoelectric sensor
Scope of delivery	Mounting brackets Washer ISO 7089-M3 (2x) Screw ISO 7045-M3x10 (2x)
Short description	Mounting bracket
Use	for photoelectric sensors BOS Q08M

Version	Mounting brackets 2 adjustable axes
----------------	--

Material

Material	Stainless steel (1.4301)
-----------------	--------------------------

Mechanical data

Dimension	50 x 14 x 18 mm
Mounting part	Threads
