

Basic features

Principle of operation	Mounting bracket for photoelectric sensor
Scope of delivery	Clamp holder (1x) incl. dovetail holder Screw M4 Installation guide
Short description	Mounting bracket
Use	for holding rods with $\varnothing 12$ mm for photoelectric sensors BOS 23K

Version

Mounting block

Material

Material

Die-cast zinc

Mechanical data

Dimension

12 x 24 x 37 mm

Mounting part

Screws, clamps
