

Basic features

Principle of operation	Torque handle
Scope of delivery	Torque handle, 2x wrench, users guide, test protocol
Short description	Assembly tool set M12
Use	BNI M12

Material

Housing material	Stainless steel
Material	GFK

Mechanical data

Fork opening	13mm flat-to-flat 14mm flat-to-flat
Size	M12x1
Tightening torque	0.6 Nm

Remarks

Torque handle calibrated to 0.6 Nm
