

Basic features

Principle of operation	Clamp holder
Scope of delivery	Clamp holder (1x) Fastening nut M14x1,5 (2x) Clamping nut M14x1,5 (1x)
Use	For M08 sensors

Environmental conditions

Ambient temperature	-25...70 °C
----------------------------	-------------

Remarks

For proximity switches with mounting length 60 mm and longer.

Material

Material	PBT
-----------------	-----

Mechanical data

Dimension	Ø 14 x 50 mm
Mounting part	Clamps
Tightening torque	3 Nm
