***CE DECLARATION OF CONFORMITY***

We declare that the **600 Series Pressure Transducers**, with current or voltage output, as standard production comply with the relevant regulations, and are in conformity with the provisions of the **Electromagnetic Compatibility Requirements** of EMC Directive 2004/108/EC,

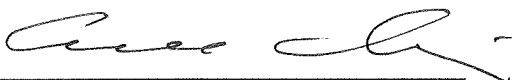

and that the standards and specifications referenced below which have been applied:

EN 61326-1: 2006 (Based on IEC 61326-1:2005)

IEC 61000-4-2: 2001  
IEC 61000-4-3: 2002  
IEC 61000-4-4: 2004  
IEC 61000-4-5: 2001  
IEC 61000-4-6: 2003  
IEC 61000-4-8+A1: 2000  
IEC 61000-4-11: 2004  
IEC 61000-3-2: 2000  
IEC 61000-3-3: 2002  
IEC 61000-3-11: 2000  
IEC 61000-3-12: 2004  
CISPR 11:2003

The pressure transducers are not to be put into operation before it has been established the machine or system, into which the pressure transducers are to be built, complies with the regulations of the guidelines.

Year of CE marking: 2009
