

Double Insulated Position Switch I81

- Integrated latch function: After actuation manually reset by pulling the blue button necessary
- Modular design
- Easy modular adjustment of actuator head through 45° increments

Advantages

- High reliability at low currents (1 mA)
- Tool-free rotation and changing of actuator
- Actuator made of metal
- Protection class IP66 and IP67
- Hinged snap-on cover
- Self cleaning contacts

Technical Data

- Mechanical service life: 100.000 switching cycles
- Contact safety: 1 mA for 24 V DC

Adjustable actuator elements

Rotatable lever
