

CIRCUIT BREAKER LOCKOUT

EZ PANEL LOC™ SYSTEM

“No Shackle” EZ Panel Locks

The EZ Panel Loc™ system can be used with most padlocks. A shackle-less padlock designed specifically for use with the EZ Panel Loc™ key is also available. This is especially useful when lockout devices will be kept at the panel in accordance with NEC regulations (see below). Everything you need to lockout breakers is kept conveniently right at the point of need!

Do You Know?

“The provisions for locking or adding a lock to the disconnecting means shall be permanently installed on or at the switch or circuit breaker used as the disconnecting means.”

- NEC 2002, Article 430.102(B) Motor

Spacing Gasket

For low profile panels, a spacing gasket can be installed, pushing out the panel frame and adding an additional 3/8" of clearance between the panel surface and the door. Self-adhesive backing makes installation quick and easy.

Catalog #	Dimensions	Description
89256	15' x 1" x 3/8"	EZ Panel Loc™ Spacing Gasket

Technical Information

- Lockout devices constructed of high-impact Isoplast Polymers
- Cables are 2' in length
- Lock rails made of durable Isoplast Polymers with acrylic adhesive backing
- Lock rails available in 4" or 8" lengths (containing 7 or 15 lock loops)
- Patent No. 6,727,441

CIRCUIT BREAKER LOCKOUT

CIRCUIT BREAKER LOCKOUT

Oversized Clamp On Breaker Lockout

- Oversized 480/600V frame lockout fits breaker switches up to 2 1/4" wide and 7/8" thick
- Made of durable polypropylene and glass filled-impact-modified nylon
- New blade design gets better grip, works on even more breaker models
- Patent No. 5,500,495

Catalog #	Description	Quantity
65329	Oversized Breaker Lockout	1/pack
65321	Oversized Breaker Lockout	6/pack

480-600V Breaker Blocker

- Perfect for locking out oversized and irregularly shaped switches
- Self-adhesive backed rails are permanently installed into an electrical panel – simply clean panel surface and adhere, no drilling required
- Red blocking bar indicates locked off, green bar indicates locked on

Breaker Blocker Kit

Catalog #	Description
90891	Breaker Block Kit

* Kit includes 2 yellow mounting rails, 1 red blocking bar, 1 green blocking bar and 3 alcohol wipes
