## LOW-VOLTAGE FUSEHOLDERS

The low-voltage fuseholder listed on the Declaration of Conformity meet the essential requirements of the safety objectives of the Low-Voltage Directive for the following reasons:

1. **Marking** - These fuseholders are marked with the following information:
  - Manufacturer's name or trademark: Bussmann or Buss
  - Manufacturer's catalog or part number: HEJ
  - Rated voltage: 480 AC
  - Rated current: 60 A
2. **Availability** - These fuseholders are available through a major distribution network in the European Union.
3. **Prior Sale** - These fuseholders have been available in the world market for over 30 years.
4. **Quality** - These fuseholders were manufactured in an ISO 9000 registered facility.
