

High speed performance and full range protection now available in miniature size

Bussmann series FWP high speed fuses are available in three compact sizes, making them ideal for applications with limited footprints.

Product description:

Eaton's Bussmann™ series FWP ferrule fuses feature superior current limitation and cycling performance expected in a high speed fuse.

FWP fuses couple high speed performance with full range protection. By operating at both short-circuit and overload currents, they provide complete protection for semiconductor applications.

What's more, these ferrule fuses are available with 4 to 100 A ratings in three compact sizes:

- 10x38 mm
- 14x51 mm
- 22x58 mm

All FWP fuses are compatible with Bussmann series CH modular fuse holders.

Features and benefits:

- Combined overload and short-circuit protection eliminates the need for multiple circuit protection devices.
- UL® and IEC® standards enable global business opportunities.
- Compatibility with Bussmann series CH fuse holders provides additional features, including visual indication and DIN-Rail mounting capabilities.
- Striker versions available for visual indication or microswitch compatibility with CH fuse holders.

CH modular fuse holder for 10x38 mm fuses - PV (yellow), IEC 10x38 and UL midget (red), and UL Class CC (black)

CH modular fuse holder with microswitch for 14x51 mm fuse

CH modular fuse holder with neon indicator for 22x58 mm fuse

Powering Business Worldwide

Specifications

Catalog symbols:

- 10x38 mm: FWP_G10F
- 14x51 mm: FWP_G14F(I)
- 22x58 mm: FWP_G22F(I)

Suffix "I" added for striker feature, see catalog numbers for availability.

Ratings:

- Volts - 690 Vac
- Amps
 - 10x38 mm: 4 to 32 A
 - 14x51 mm: 4 to 50 A
 - 22x58 mm: 20 to 100 A
- Interrupting rating - 200 kA
- Operating class - gR (full range)

Agency information:

- UL Recognized Standard 248-13
- IEC 60269-4

Recommended fuse holders:

- 10x38 mm: CHM fuse holders (data sheet No. 10430)
- 14x51 mm: CH14 fuse holders (data sheet No. 10080)
- 22x58 mm: CH22 fuse holders (data sheet No. 10015)

Data sheets:

For detailed information, please see data sheet numbers:

- 10x38 mm: No. 10467
- 14x51 mm: No. 10468
- 22x58 mm: No. 10469
