

Semiconductor Fuse

500-2000A, 690 Volts

BIF Document
17056320
 Size **3**

The partial dotted curves are for fuses designed to give part range protection (aR protection). Loading or operation above the curve indicated at A on the curves must in general be avoided. Please see technical guidance 170K... for further information. Curves that are not dotted are for fuses designed to give full range protection.
