# Semiconductor Fuse 10-315A, 690 Volts

BIF Document  
**17056310**  
Size **000**

The partial dotted curves are for fuses designed to give part range protection (aR protection). Loading or operation above the curve indicated at A on the curves must in general be avoided. Please see technical guidance 170K... for further information. Curves that are not dotted are for fuses designed to give full range protection.
