

# Semiconductor Fuse

## 160-630A, 1250 Volts

BIF Document  
**17056632**  
 Size **1**

The partial dotted curves are for fuses designed to give part range protection (aR protection). Loading or operation above the curve indicated at A on the curves must in general be avoided. Please see technical guidance 170K... for further information. Curves that are not dotted are for fuses designed to give full range protection.
