

# DC Permanent Magnet Motors

Dart stocks for immediate delivery a complete line of NEMA frame DC permanent magnet SCR rated industrial motors. These motors are made in the USA by one of the world's leading motor suppliers.

All motors are pre-drilled and tapped on the motor fan side to accept the popular and versatile Dart PU Series hall-effect speed sensor. All are C-face design and include a removable base.

With competitive pricing and immediate availability, Dart can supply your DCPM motor needs as well!

Selection Guide				
Model	HP	Motor Voltage	Frame	Body
LM90T025	1/4	90 VDC	56C	TEFC
LM90T033	1/3	90 VDC	56C	TEFC
LM90T050	1/2	90 VDC	56C	TEFC
LM90T075	3/4	90 VDC	56C	TEFC
LM90T100	1	90 VDC	56C	TEFC
LM180T050	1/2	180 VDC	56C	TEFC
LM180T075	3/4	180 VDC	56C	TEFC
LM180T100	1	180 VDC	56C	TEFC
LM180T150	1.5	180 VDC	56C	TEFC
