

DieHard 200 Lumen Pocket Work Light

DIEHARD 200 LUMEN POCKET WORK LIGHT

Model #: 41-6110

The DieHard 200 Lumen Pocket Work Light features a powerful area work light that is incredibly bright for its size. A sturdy clip allows you to clip the light to your pocket or other locations. The clip is also magnetic for hands free use and swivels 180 degrees, allowing you to position the light right where you need it. This is a really handy light for everyday carrying. A five hour continuous run time on 3 AAA batteries means you won't have to change batteries often. Other features include IPX4 weather resistance, 1 meter impact resistance, and 19 meters of beam distance. Three premium DieHard AAA batteries are included.
