

DieHard 200 Lumen Flex Work Light

DIEHARD 200 LUMEN FLEX WORK LIGHT

Model #: 41-6111

The DieHard 200 Lumen Flex Work Light is a versatile pocket light that features both an incredibly bright area light and a 100 lumen flashlight. A sturdy clip allows you to attach the light to your pocket for easy carrying. A magnetic base is also included for hands free use. The base swivels 180 degrees, allowing you to position the light right where you need it. The Work Light is also IPX4 weather and impact resistant. 3 AAA batteries included.

PRODUCT FEATURES

- Both an area light and flashlight.
- Magnetic base for hands free use.
- Base swivels 180 degrees.
- IPX4 weather and impact resistant.
