

DieHard Twist Focus 1000 Lumen Flashlight

## DIEHARD TWIST FOCUS 1000 LUMEN FLASHLIGHT

Model #: 41-6122

The DieHard Twist Focus 1,000 Lumen Flashlight features durable Pro Grade anodized aluminum construction for a quality feel and finish you have to feel to believe. This light's Twist Focus technology allows you to focus the light from a spot beam, all the way to a flood beam, and any point in between. Light settings of high, medium, and low mean you will always have the right amount of light for a given task. A flash setting is also included for safety. This light is also durable, with impact and water resistant design, rubber booting tail cap switch, and a heavy duty, non-slip True Grip handle. Other features include 1 hour of run time on 4 AAA batteries and a 130 meter beam distance. This light is also designed to stand on its end for hands free lighting. The DieHard Twist Focus Light includes four premium DieHard AAA batteries.
