PRODUCT OFFERING

The 3C - 12" Signal Wand Light contains 6 super bright 5MM LEDs, and a 9 LED tip light for added functionality. The flashlight is extremely durable, made of heavy duty plastic construction allowing it to be weather resistant. The signal wand has a easy to use side mounted sealed push button switch and comes with a convenient nylon wrist strap lanyard. The flashlight can be coupled with the metal signal wand stand for hands-free operation. The 3C – 12" Signal Wand Light requires 3 C cell batteries to operate (not included)
