Waterproof Lantern Series:

The 65 Lumen LED Waterproof Lantern features a sleek and unique design allowing it to produce 65 lumens of light radiating 360°.

The durable body construction allows the lantern to float and makes it waterproof, with an IPX4 rating.

The LED Lanterns contain two settings, LED area illumination, and an amber LED night light.

The lantern is topped off with a sturdy handle featuring a pop-out hanger hook allowing for hands free use.

The 65 Lumen LED Waterproof Lantern requires 3 D cell batteries to operate (not included).

Enhanced Visibility:

- 360° of Light Illumination
- Produces 65 Lumens of Light Output
