

Eaton T800P-02000-5

Catalog Number: T800P-02000-5

Eaton Power-Sure 800 power conditioner, Transformer, Single-phase, 2 kVA, 2 kW, 120/208/240V, cUL listed

General specifications

Photo is representative

Product Name	Catalog Number
Eaton Power-Sure 800 power conditioner	T800P-02000-5
UPC	Product Length/Depth
786689364434	16.5 in
Product Height	Product Width
14.75 in	13 in
Product Weight	Certifications
125 lb	CSA Certified
	ANSI/IEEE Std C62.41
	FCC Cat. A
	UL 1012

Phase

Single-phase

Topology

Line conditioner

Type

Transformer

Wattage

2 kW

Efficiency

Approximately 92% at full load

Operating Temperature

-20° to 40°C

Output voltage

120/208/240V
