

Mono 72

Features

- High output siren sound (120dB)
- Rugged construction for use in all environments
- Low voltage DC and high voltage AC for use in all applications
- Weatherproof to IP65
- Mounting bracket for ease of installation

Overview

The Mono 72 is a powerful motor driven siren which produces a clear, high output siren sound.

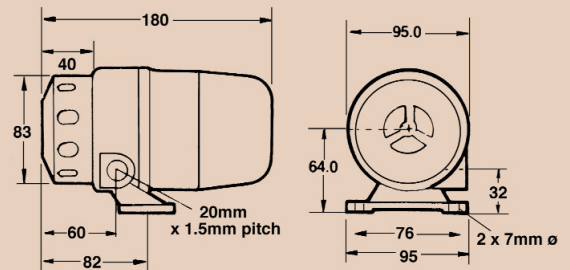

With its weatherproof design, the Mono 72 can be used both indoors and outdoors for security, fire alarm, process control alarm and general safety warning.

Due to its rugged construction, the Mono 72 can be used in arduous conditions including mining and quarrying applications.

The Mono 72 has a continuous rating and has been designed for longevity.

Applications

- Fire alarm; security alarm; general safety warning; conveyors; process control alarm; vehicle alarm

- Fire
- Railway/Marine
- Security
- Hazardous Area
- Industrial
- Public Warning

Part No.	Colours	Audibility at 1m	Tones	Voltage	Current
18-980200	Red/Black	Up to 120 dB (A)	1	12V DC	9.0A
18-980201	Red/Black	Up to 120 dB (A)	1	24V DC	4.6A
18-980203	Red/Black	Up to 120 dB (A)	1	110V AC/DC	1.0A
18-980205	Red/Black	Up to 120 dB (A)	1	230V AC/DC	0.46A

IP Rating: IP65 **Rating:** Continuous **Frequency:** 1800Hz **Operating Temp:** -30°C to +45°C
Construction: Cast Aluminium Body, ABS Rotor, Stator and Cover **Cable Entries:** 1 **Weight:** 1.7kg
