

Commercial Grade Plugs & Connectors

The Ericson 5266 and 5269 Series of Commercial Grade plugs offer the latest in design innovation and quality in an economy grade wiring device. The demands of today's electrical industry are met with this new design with features never before seen in a commercial device. Designed to provide years of trouble free service in demanding industrial, construction and rental environments. Available in 2 styles, with and without the power on "glow" module to light up the entire device.

- 2 styles – with and without internal lamp module (see chart)
- Translucent body allows device to glow from power on lamp
- Tough, soft feel, rubber overmold grip
- Wide open "suitcase" style construction makes wiring easy
- Two captive screw body clamp design is easy to assemble
- Cord diameter matching inserts fit a wide range of cord sizes
- Solid brass blades for optimum electrical contact
- Fits 10/3 to 18/3 cord diameters*
- Rugged design withstands abuse on the jobsite
- Clear internal conductor cover allows visual inspection
- Color coded termination screws for ground, hot and neutral
- Combo screw head

5266-EL Lighted

1 Piece Design - EZ To Wire

Devices Selection Guide

| Face View | NEMA Configuration | Electrical Ratings | | With Internal Glow Light | | Without Internal Glow Light | |
|---|--------------------|--------------------|-------|--------------------------|------------|-----------------------------|------------|
| | | Amps | Volts | Plugs | Connectors | Plugs | Connectors |
| Straight Blade, 2-pole, 3-wire Grounding Devices | | | | | | | |
|   | 5-15 | 15 | 125 | 5266-EL | 5269-EL | 5266-E | 5269-E |

Notes:
 *Cord diameters - .3 to .6 inch
 **Slot - Phillips
