

FEATURES:

- cULus listed
- Outdoor use, wet location
- LED energy efficient lighting technology
- 50,000 hour lamp life expectancy
- 3550 lumens
- 5600K color temperature
- Durable, rugged construction
- Impact resistant, high temperature lens
- Easily daisy chained to cover large areas
- Light weight die cast aluminum housing
- Built-in handle
- Integral mounting magnet
- On/Off switch option
- NEMA 5-15 watertight plug and connector option
- Multiple configuration alternatives available

Ericson's 1000LED Series of Wide Area Work Lights features exceptional state-of-the-art LED lighting performance, light-weight rugged construction, low power consumption and flexible magnetic mounting. Ideal for indoor and outdoor use, these innovative work lights are lightweight and compact, impact resistant and designed to deliver years of worry free operation.

Cool white LED lighting reduces eye stress and improves visual acuity thus enhancing the work space environment, all while reducing energy costs. An optional daisy-chain feed-thru capability further extends the utility of the 1000LED by providing the ability to light large areas with a single power drop, freeing vital circuits for other essential activities. The built-in handle is ideal for overhead mounting and carry, even while wearing gloves and the integral heavy-duty magnet is ideal for mounting the light to any metal surface for hands-free operation.

The 1000 Series LED Work Light is ideal for a broad range of temporary lighting applications including:
