## Barrier Kits for Type 4 Floormount *BKFM Series*

### Features

- Barrier kits are designed to provide 2 vertical sections within 2 door, Type 4 enclosures.
- For use with HN4FM Series and 1422N4 Series.
- For application example, can provide separation between power and control sections within one cabinet.
- Does NOT provide complete physical separation as there is space above and below the barrier to run wiring.
- Depth mounted - bolted to the inner panel at rear and the center post at front.
- Certain sizes are depth adjustable
- Panels are steel and painted white.
- Mounting hardware included.
