## Wiring Duct

### Duct Tools and Accessories

#### Corner Strips and Straight Connectors

HellermannTyton's Wiring Duct Connectors include corner strips and straight connectors. Corner strips are used for a rounded and smoother transition between sections of wiring duct meeting at a right angle whereas straight connectors join straight duct runs to cover and protect wires. Straight connectors are supplied in 6 foot lengths, can be used with all sizes of duct, and can be cut to fit duct sidewall heights.

#### Features and Benefits

- Easily cut to size for the appropriate duct size.
- Provides a smooth transition between sections of duct.

<b>MATERIAL</b>	Polyvinylchloride (PVC)
<b>Flammability</b>	Self-Extinguishing
<b>Operating Temperature</b>	+122°F (+50°C)
