

Bundling and Securing

Cable Ties

Hook and Loop Grip Ties

Grip Ties for Plenum Applications

HellermannTyton offers UL 94 V-2 flame rated Grip Ties for use in air handling spaces. Grip Ties are UL Listed in accordance with the National Electric Code regulations. Grip Ties are low-profile, one-piece fastening devices. Constructed of a hook and loop design, laminated back to back, the Grip Tie features quick release for repetitive access to cable and wire. Grip Ties are available in a variety of colors and are versatile enough for applications ranging from network installations to bundling power cords.

Features and Benefits

- UL 94 V-2 flame rated material allows use in air handling spaces.
- Features quick release for repetitive access to cable and wire.
- Can be opened and closed numerous times without failure.
- Adjustable so one size can accommodate multiple bundle diameters.

| PART NO. | TYPE | Min. Tensile Strength lbs. (N) | Length (L) in. (mm) | Max. Bundle Diameter in. (mm) | Width (W) in. (mm) | Width (W2) in. (mm) | Length (L2) in. (mm) | Material | Color | Pkg. Qty. |
|----------------|----------|--------------------------------|---------------------|-------------------------------|--------------------|---------------------|----------------------|----------|--------|-----------|
