

## Specification Sheet

Part Number: MK9P-109

MK9 Replacement blade, 1/pkg

Article Number	110-09111
Type	SP MK9P replacement blade
Color	Metal (ML)

### Features & Benefits

- Enhanced technology for better application of cable ties.
- Improved compressed air supply for faster tensioning piston movement.
- Shorter processing time and greater volume of connecting tie application.
- Genuine potential for rationalization.
- Ergonomic design, molded handle to prevent slippage, reduce operator fatigue.
- Lightweight but very tough housing made of glass fiber-reinforced plastic.
- Meets high industry standards.
- Tensioning and cutting off cable ties flush with head by pressing one button.
- Smooth cut edge to prevent injuries.
- Automatic ejection of cut-off cable tie end.
- Three-level preset control to set tool tension.
- Optional safety cap to prevent tension setting from being changed by accident (important when bundling sensitive materials and maintaining process reliability.)
- Non-slip, comfortable grip, soft touch trigger, and one-touch tensioning/cut off.
- Very lightweight and easy to use on all cable ties 2.5–4.8 mm wide.
- All separately sold accessories are compatible with the MK7P series tool.

Product Description	Replacement Blade
---------------------	-------------------

**Short Description**

MK9 Replacement blade, 1/pkg

**Global Part Name**

SP MK9P replacement blade-MET-ML

**Technical Description**

MK9P Replacement Blade

**Tension Setting Tools**

Adjustable

**Material**

Metal (MET)

**Material Shortcut**

MET

**Reach Complaint(Article 33)**

Yes

**ROHS Complaint**

Yes

**Package Quantity(Imperial)**

1

**Package Quantity (Metric)**

1

**Customs Number**

8208900000

**Content Unit(BMEcat)**

pcs.

**Weight (Metric)**

0.01
