| Color               | White (WH)                                                                                                                                                                                                                                                                                                                                                                |
| Features & Benefits | <ul style="list-style-type: none"><li>• Slide Slit and optional center slits for easy wire insertion.</li><li>• Smooth surface for clean and legible printing.</li><li>• Supplied on a ladder style carrier so that markers can be kitted after printing.</li><li>• A 3:1 shrink ratio means fewer skews as each marker covers a wider range of wire diameters.</li></ul> |
| Quantity Per        | box                                                                                                                                                                                                                                                                                                                                                                       |

### Product Description

HellermannTyton's ShrinkTrak heat shrinkable markers make it easy to mark wire, cable and other components. The military approved heat shrink tubing is flattened and assembled in a ladder style carrier system for easy printing using a thermal transfer printer. The ladder system creates a kit of markers that can be sorted, removed and applied in any order thus saving time, labor and speeding production.
