Features & Benefits

Versatile •Flexible, flame retardant, heat shrinkable polyolefin tubing meets all military specification. •3:1 shrink ratio enables a wide range of wire sizes to be covered. •Standard colors - yellow, white and black. •Larger pack options result in less box changes. High Performance Design •Center slit and multiple slit versions reduce or eliminate hand cutting. •Nonslip printable liner allows additional marker data to be printed on the reverse side for records and placement instructions. •Use HellermannTyton's Durattach ribbon system for the highest print performance on the market. Reduce Printer Jams •Custom box opening allows markers to dispense directly into HellermannTyton thermal transfer printers. •Dispense markers faster and easier with waxed core dispenser.

Product Description

HellermannTyton's ShrinkTrak™ heat shrinkable markers make it easy to mark wire, cable and other components. The military approved heat shrink tubing is flattened and assembled in a ladder style carrier system for easy printing using a thermal transfer printer. The ladder system creates a kit of markers that can be sorted, removed and applied in any order thus saving time, labor and speeding production.
