

Specification Sheet

Part Number: HT-TT02D

Article Number

854-40269

Type

HT-TT02D

Color

Black (BK)

Features & Benefits

- Single-action hand tool cuts and terminates all eight wires at once, speeding up the termination process.
- The jaws are color coded for ease of identification and the blades will perform in excess of 10,000 terminations.
- The tool is rugged and robust, achieving over 30,000 terminations.

Quantity Per

box

Product Description

The HellermannTyton HT-TT Termination Tool has been specifically designed to terminate the HellermannTyton range of UTP and FTP keystone jacks. The interchangeable colour coded modules mean that a single tool can be used for both UTP and FTP terminations. The single action operation terminates all 8 conductors and crops any excess cable in a single action helping to ensure the quality and consistency of the connections and reducing installation time.

Short Description	GST UTP/FTP Termination Tool, 1/box
Global Part Name	HT-TT02D
Technical Description	The HT-TT termination tool is manufactured from 30% glass filled nylon and is available with both FTP and UTP modules or with only an FTP or UTP module. The interchangeable modules are colour coded for ease of identification. The blades within each module are manufactured from tool grade stainless steel and will perform in excess of 10,000 terminations.
Width W (Imperial)	10.63
Width W (Metric)	270
Height H (Imperial)	6.10
Height H (Metric)	155
Depth D (imperial)	2.17
Depth D (metric)	50
Material	Polyamide 6, glass fiber reinforced (PA6GF15%)
Material Shortcut	PA6GF15
Package Quantity(Imperial)	1
Package Quantity (Metric)	1

Customs Number

8205599000

Weight (Metric)

0.400
