Specification Sheet

Part Number: FRBTBBXBEC3X

FRBU, B Length, 11 Port, 3 Hellapon Side Hinge TRAYS, with BSKT, PP, Black, 1/pkg

Article Number	857-00627
Type	FRBTB-BXBEC3X
Color	Black (BK)
Features & Benefits	• More traditional long trays accommodate fiber storage and splicing • 11-Port base configuration offers 10 round ports and one oval port for loop-through applications; accommodates tray-to-tray fiber routing typical in PON networks. • Supports blown, pushed or pulled fiber/cable deployments to accommodate most construction styles.
Quantity Per	kit

Product Description	The FRBU is a compact, cap-ended, ready-access, fiber-optic splice closure for use in underground, direct burial and aerial installations. The mid-range capacity and port flexibility offered by the FRBU make it suitable for FTTC, trunk networks and CATV installation. The FRBU is environmentally sealed to the base using an O-ring and quick-release clamp and can be fitted with a pressure release valve and grounding feed-throughs. The cable entry/exit points in the base are environmentally sealed using either Cablelok mechanical seals or heat-shrink sleeves.
Short Description	FRBU, B Length, 11 Port, 3 Hellapon Side Hinge TRAYS, with BSKT, PP, Black, 1/pkg
Global Part Name	FRBTB-BXBEC3X
Technical Description	The FRBU 11 Port B Length closure is supplied with a Polypropylene base. The base configuration of 10 round ports and 1 oval port covers a cable diameter range of 1.7 – 16.5.0mm when using Cablelok mechanical seals and 6.0 – 22.0mm when using heatshrink. The mounting system is manufactured from Grade 304 stainless steel and can accommodate a maximum of 6 Hellapon Medium side hinged trays or 3 Hellapon Medium side hinged trays and basket giving a maximum of 144 fibre splices based on 24 fibres per tray. The fibre basket provides storage space for the storage of fibre loops within the closure. The tubed closure and the position of the mounting system allows for ease of access and traceability of the fibre on to the trays. The trays are white which makes it easy to see the colour of the fibre elements as they are routed through the fibre management system and on to the trays.
Port Count	8 2 1
Variant	Outdoor Enclosure
Material	Polypropylene (PP)
Material Shortcut	PP

Package Quantity(Imperial)	1
Package Quantity (Metric)	1
Customs Number	9030400000
Content Unit(BMEcat)	pcs.
