

Specification Sheet

Part Number: FRBTBAXBEC3X

Article Number

857-01252

Type

FRBTB-AXBEC3X

Color

Black (BK)

Features & Benefits

- More traditional long trays accommodate fiber storage and splicing.
- 11-Port base configuration offers 10 round ports and one oval port for loop-through applications.
- Supports blown, pushed or pulled fiber/cable deployments to accommodate most construction styles.

Quantity Per

kit

Product Description

The FRBU is a compact, cap-ended, ready-access, fiber-optic splice closure for use in underground, direct burial and aerial installations. The mid-range capacity and port flexibility offered by the FRBU make it suitable for FTTC, trunk networks and CATV installation. The FRBU is environmentally sealed to the base using an O-ring and quick-release clamp and can be fitted with a pressure release valve and grounding feed-throughs. The cable entry/exit points in the base are environmentally sealed using either Cablelok mechanical seals or heat-shrink sleeves.

Short Description

FRBU, A Length, 11 Port, 3x Medium Hellapon Side Hinge, with Basket, PP, Black, 1/pkg

Global Part Name

FRBTB-AXBEC3X

Port Count

8 1 2

Variant

Outdoor Enclosure

Material

Polypropylene (PP)

Material Shortcut

PP
