

## Specification Sheet

Part Number: HS-1911

### Article Number

857-40319

### Type

HS1911\*

### Color

Black (BK)

### Features & Benefits

- Available in 3 diameters and 2 lengths to suit all port sizes.
- Internal lining of hot melt adhesive provides environmental seal.
- Visual correct shrinkage indication.

### Quantity Per

bag

### Product Description

HellermannTyton heat shrink kits are manufactured with crosslinked polyolefin and an internal lining of hot melt adhesive. The heat shrink sleeve has a coating of thermochromic paint, which changes color when the optimum temperature for shrinkage is achieved. The hot melt adhesive lining provides an environmental seal around the cable and port entry.

### Short Description

Heat Shrink Sleeving, "L" or "LM" Port, 60/1 x 180, 1x HS + 1x Branch Clip, AL/PO-X, 1/pkg

**Global Part Name**

HS1911\*

**Technical Description**

The HellermannTyton range of heatshrink kits are crosslinked polyolefin with an internal lining of hot melt adhesive. The heatshrink sleeve has a coating of thermochromatic paint, which changes colour when the optimum temperature for shrinkage is achieved. The hot melt adhesive lining provides an environmental seal around the cable and port entry.

**Length L (Imperial)**

7.1

**Length L (Metric)**

180.0

**Material**

Aluminum (AL) Polyolefin, cross-linked (PO-X)

**Material Shortcut**

AL PO-X

**Package Quantity(Imperial)**

1

**Package Quantity (Metric)**

1

**Customs Number**

9030400000

**Content Unit(BMEcat)**

pcs.
