Part Number: HT-PT

Pocket Termination Tool for GST Style UTP Jacks, 1/pkg

Article Number	904-00874
Type	HT-PT
Color	Blue (BU)
Features & Benefits	• The Pocket Tool is designed to easily terminate all GST UTP Jacks by completing the termination process in one simple step. • The ergonomic handles have a built-in manifold holder that provides easy lacing of the wires. • Lanyard hole in the handle for easy tethering.
Quantity Per	box
Product Description	The Pocket Termination Tool helps with the lacing of the wires as well as terminating the jack. A built-in holder in the ergonomic handle holds the wiring manifold in place to make lacing the wires simple while maintaining the pair twists. After snipping the wires flush to the manifold with a flush cutter, the alignment guides on the manifold help guide it in the tool and with one simple, straightforward action, the jack is terminated.

Short Description	Pocket Termination Tool for GST Style UTP Jacks, 1/pkg
Global Part Name	HT-PT-PA66HS-BU

Length L (Imperial)	4.5
Length L (Metric)	114.3
Width W (Imperial)	1.0
Width W (Metric)	25.4
Height H (Imperial)	1.90
Height H (Metric)	48.26

Material	Polyamide 6.6 heat stabilized (PA66HS)
Material Shortcut	PA66HS

Package Quantity(Imperial)	1
Package Quantity (Metric)	1
Customs Number	3926909988
