Note: *Certain IEC configurations allow for a single product to be certified as both a North American (Series 2) and International amperage (Series 1). These products are marked accordingly with both the UL Listing and UL Classified markings.

**Mating plug or inlet required to maintain 4X/IP69k ratings when used with ADVANTAGE™ series connections.

ADVANTAGE™ series receptacles have the same mounting pattern as standard Hubbell IEC pin and sleeve.

Just add a "P" suffix for Pilot pin for 60 amp devices.
