

Part Number Structure

Mono Lever Switches 2-Position (Sub-assembled) Part Numbers

Contact Blocks

| Style | Contacts                   | 1NO                  | 1NC                  |
|-------|----------------------------|----------------------|----------------------|
|       | Standard Fingersafe (IP20) | HW-F10               | HW-F01               |
|       |                            | HW-F10R (early make) | HW-F01R (late break) |
|       | Spring-Up Terminal         | HW-G10               | HW-G01               |
|       |                            | HW-G10R (early make) | HW-G01R (late break) |
|       | Exposed Screw Terminal     | HW-C10               | HW-C01               |
|       |                            | HW-C10R (early make) | HW-C01R (late break) |
|       | Dummy Block                | TW-DB                |                      |

Anti-Rotation Ring

| Style | Part Number |
|-------|-------------|
|       | HW9Z-RL     |

Use with notched panel cutout to prevent unit rotation.

Operators

| Style | Description              | Part Number |
|-------|--------------------------|-------------|
|       | Maintained Up/Down       | HW1M-1010   |
|       | Spring return Up/Down    | HW1M-2020   |
|       | Maintained Left/Right    | HW1M-0101   |
|       | Spring return Left/Right | HW1M-0202   |
|       | Maintained Up/Down       | HW1M-L1010  |
|       | Spring return Up/Down    | HW1M-L2020  |
|       | Maintained Left/Right    | HW1M-L0101  |
|       | Spring return Left/Right | HW1M-L0202  |

Replacement Parts

| Item          | Part Number                            |
|---------------|--|
| Black Cap<br> | HW9Z-CPM                               |
| Boot<br>      | HW9Z-BLM (fits standard operator only) |

Contact Block Mounting Adaptor

| Style | Part Number |
|-------|-------------|
|       | HW-CB2C     |

- Used to mount contact blocks to operator (first pair only).
- IDEC strongly recommends using the safety lever lock (included) to prevent heavy vibration or maintenance personnel from inadvertently unlocking contacts.

Safety Lever Lock

| Style | Part Number |
|-------|-------------|
|       | HW9Z-LS     |
