

# KEL-FG A

## Flange Enclosures for Cable Entry

Slit grommets

1

Description	Type	Order No.	Grommets		PU
			small	large	

### Product Description

The cable entry frames KEL-FG are suited for installation, sealing and strain relief of cables with connectors and conduits at an angle of 90° to the panel, enclosure or machine wall. For routing cables and conduits up to 35 mm in diameter. A flat rubber gasket is included in the shipment.

### Advantages & Benefits

- Installation at an angle of 90° to the wall
- Mechanical protection of cable directly at the place of entry
- Protection against water spray and drips
- Warranty on pre-terminated cables remains
- Strain relief according to EN 62444
- High stability, vibration resistant

### Specifications
