

TYPE WM-B

Features

- White vinyl cloth material, permanent black marker text
- Rubber based adhesive backing
- Stitched cover
- Self-laminating unmarked vinyl material – WM-B-30-B and WM-B-60-B
- Clear over laminate vinyl material – WM-B-30-B and WM-B-60-B
- Rated to -50° to 250° F operating temperature

Benefits

- Industry proven, easily readable
- Long lasting grip on wire
- Durable binding of book
- Write on marker tab accepts pen, pencil, ink marker or stamp
- Permanent protection of user applied markings
- Usable at temperature extremes

Wire Markers

Slide/Snap-On

TYPE WM

Features

- Slide-on option
- Snap-on option
- Supplied in (10) strands per re-sealable bag, each strand contains (25) of the same character
- Angular cut ends
- Temperature range -22° to +140° F

Benefits

- Permanently secured marking, applied before end termination
- Convenient placement of marking before or after termination
- Offers millions of character combinations per bag
- Nesting multiple characters on same conductor
- Installable at extreme temperature conditions

Wire Markers Cassette

TYPE WM

Features

- Compact size; 3.500" W x 2.700" D x .850" H
- Contains 500 slide-on style markers, refillable
- Double-sided entry
- Supplied with stainless steel installation tool inside the cassette
- Stainless steel installation tool features wire receiver hole
- Marker and cassette temperature rating -22° to 140° F
- Each slot holds one strand of (25) slide on wire markers

Benefits

- Easy to carry, readily available
- Reusable and customizable to user needs
- Conveniently dispense parts on either side of cassette
- Guides markers onto un-terminated end of wire
- Aligns wire for easy marker installation
- Holds up in extreme temperature conditions
- Provides quick visual identification and marker organization

Wire Markers Kit

TYPE WM

Features

- 50 compartments
- Double latch and carry handle
- 10,000 total markers per case
- Contains 2 stainless steel installation tools
- Carrying case temperature rating -22° to +140° F

Benefits

- Marker organization for quick identification and use
- Secured cover, easy to carry
- Offers millions of character combinations, supports large scale marking activity
- Spare tool
- Holds up in extreme temperature conditions
