Part no.: 50109217 – K-V M12-Ex – Safety locking device

Technical data

Basic data

Contains	5x
Suitable for	Products with M12 connector

Mechanical data

Housing material	PA
Net weight	25 g

Environmental data

Ambient temperature, operation	-25 ... 90 °C
--------------------------------	---------------

Ex specification

Ex-zone	22
---------	----

Certifications

Ex-standard	EN 50281-1-1
-------------	--------------

Classification

eCl@ss 8.0	27069190
eCl@ss 9.0	27069190
ETIM 5.0	EC001578
