

# Heat Shrink Tubing & Test Leads

MARS SERIES **861**

## MARS Heat Shrink Tubing - Black

The MARS heat shrink tubing shrinks to fit approximately one half its diameter. This polyolefin, flame retardent tubing insulates wiring, repairs cords, covers tool handles, makes strong rope loops and neat ends. It may be easily assembled over irregular shapes. UL and CSA rated. Operating temperature; -55°C to 110°C. Shrink temperature; 120°C to 250°C. Attractively packaged in a dispenser disk for easy dispensing. Simply unwind and cut the amount you need, then wind the unused tubing back into the disk. This clear disk permits visual stock status and keeps tubing clean and protected. Disk packs are center punched for merchandising.
