

BZS/F label rail - black - 9 and 15 mm

BZS/F rail (cover and label not included in the delivery)

PRODUCT INFORMATION

The BZS/F labelling system was developed as a simple means of accommodating a great deal of labelling information in or on the control cabinet.

The label holder with the snap-in labels provides vertical and horizontal designations on terminal blocks and other components. It may be fitted on the top-hat rail, C-rail or the cable duct with a high degree of flexibility.

The label holder can be cut to any length.

The BZS/F label holders are available in 9 mm and 15 mm widths.

- BZS/F: with pre-punched holes (distance between holes 100 mm; hole diameter 3.6 mm).
- BZS/F K: with pre-punched holes (distance between holes 100 mm; hole diameter 3.6 mm) and adhesive strip (adhesive 4930) as a mounting aid
- BZS/F SK: self-adhesive label rail (adhesive 1780) without drilled holes for uneven surfaces (hammer enamel)

SPECIFICATIONS

-  -40 – 80 °C
-  Polyvinyl chloride (PVC)
-  V0
