

# CABS Busbar Support Kit – CABS4-5TN-600 (549260)

- For all busbar types
- Improve bending resistance by interlocking or stacking two profiles
- Quick and easy to install
- Halogen free insulators
- RoHS compliant

|                                    |   |
|------------------------------------|---|
| Part Number                        | CABS4-5TN-600   |
| Article Number                     | 549260  |
| Material                           | Aluminum<br>Glass Fibre Reinforced Polyamide<br>Steel   |
| Finish                             | Electrogalvanized   |
| Typical Application Current Rating | 400 – 4,500 A   |
| Max Working Voltage, IEC (Ui)      | 1,000 VAC<br>1,500 VDC  |
| Working Temperature                | -40 to 266 °F   |
| Complies With                      | IEC® 60439.1<br>IEC® 61439.1<br>IEC® 60695-2-11 (Glow Wire Test 960 °C)                                     |
| Flammability Rating                | UL® 94V-0   |
| Busbars per Phase                  | 1 – 4   |
| Busbar Width                       | 1.18" – 4.92"   |
| Busbar Thickness                   | 0.2"  |
| Depth [D]                          | 1.54"   |
| Width [W]                          | 21.65"  |
| A                                  | 19.69"  |
| B                                  | 2.95" – 4.92"   |
| C                                  | 20.67"  |
| Unit Weight                        | 1.85 lb   |
| Certifications                     | Bureau Veritas 41941 BV<br>CE<br>EAC 8546901000 (Russian Federation)<br>IEC 61439-1 Busbar Supports<br>RoHS |

|                             |               |
