

PSEN Y junction M8 SENSOR

540317

Y-junction for PSENcode, PSENSlock for direct plugging on the sensor. Input socket, output socket and outputplug in M8/8pin. Permutation of connector electrical excludabel.

Technical details

Ambient temperature:	-20 - 80 °C
Degree of protection connector 1:	IP67
Degree of protection connector 2:	IP67
