

PVC Coated Strut Straps and J Hangers

Plasti-Bond PVC coated strut straps & J hangers are used with coated strut to support conduit installations in a variety of configurations. Strut straps may be used in either vertical or horizontal positions to support conduit. Both are provided with stainless steel hardware. Conduit spacing may be as close together as allowed by the couplings. J hangers may be used with hanger rods or other means of support to securely fasten conduit runs.

Features:

- 20 mil gray PVC exterior coating
- Available in 11 trade sizes
