## Sperry ULTRA-THIN Meter Family

### Sperry's new "Thin" meters break the mold!

At less than 3/4 inch thick, this is the thinnest full sized multimeter yet. Engineered to exceed the expectations of the professional electrician, the Sperry Instruments ULTRA-THIN Meter family offers a durable and ergonomic impact resistant design.  CAT III (600V), ETL listed to UL and CSA standards and CE rated with a limited lifetime warranty to give our users the peace of mind they deserve.

True RMS DM6850T features datalogging and Bluetooth connectivity to your smart device and also includes temperature probe and alligator clips. Both meters ships with soft case, 40" CAT II/III 600V test leads and 2 AAA batteries included in the package.

## Features

- Thin design for easy use, storage, and transportation
- ETL listed to UL and CSA standards
- Min/Max function to hold either minimum reading or maximum reading on the display
- Instant Continuity Buzzer
- Data hold feature captures reading on the display
- Auto power off and low battery indicator
- Backlit 1999 Count LCD screen

ETL LISTED Intertek        250lb CRUSH        10 ft DROP        CAT III 600V        LIFETIME Warranty        Bluetooth

# SPERRY INSTRUMENTS® NEW ULTRA-THIN (Bluetooth) Meter Family

**Both Thin Meters include:**
- Soft storage case
- Industry standard probes

**DM6850T also includes:**
- Probe clips
- Thermocouple
