Commercial Hubs

Steel City[®]

01

02

 01 - Commercial Hub
 02 - Commercial Grounded
 Hub

Description:

- The Steel City Commercial die-cast zinc hub with insulated throat and sealing ring is the perfect choice to terminate conduits in an enclosure or box, providing superior sealing for exceptional watertight performance

Features & Benefits:

- Die-cast zinc hub with insulated throat and sealing ring for smooth wire pulling and environmental protection
- Available in grounding and standard version for maximum flexibility in planning
- Full range of trade sizes from ½" to 4"
- Part of comprehensive Steel City portfolio for commercial, industrial and residential construction

The Steel City Commercial die-cast zinc hub with insulated throat and sealing ring for Rigid/IMC applications.

Certifications / Standards:

Certifications/Standards:

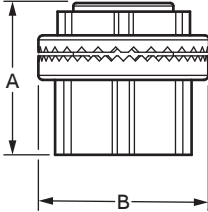

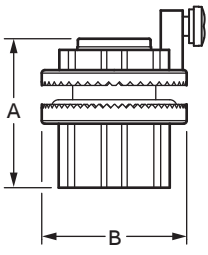

- Standard: UL/cUL File No. E23018
- Grounding: UL/cUL File No. E3060
- Suitable for wet locations
- Conforms to UL514B

Material / Materials / Finishes:

- Body and Locknut – Zamak #3 Type Zinc
- Insulated Throat – Flame Retardant PP Compound Resin
- Sealing Ring – Nitrile Rubber
- Finish: Natural
